Short bio

Alessandro Cascavilla is a post doctoral fellow in Economic Policy at Università degli Studi di Roma Unitelma Sapienza.

He completed the Ph.D. in Economics and Management (Curriculum Economics, XXXV cycle) at the University of Bari “Aldo Moro” in co-tutorship with Universitat Jaume I (Spain).

He is Adjunct Professor of Econometrics (Unitelma), Public Finance and Macroeconomics (Uniba).

He is conducting research in the field of Public Economics (taxation, environment, and role of government) with a behavioral and experimental approach.

He has been working as Junior Economist at the Italian Public Accounts Monitor of the Catholic University (Rome).

He is social ambassador for the ISTAT (Istituto nazionale di statistica) and has been collaborating with media and other institutions (i.e., Eurostat).
